

# cyls\_read

wall lamp  
design Christian Finke, 2007

model	<b>cyls_read</b>
dimensions (d, wxh)	ø23, 25x15cm
materials	fabric shade, lacquered wood
weight / packing vol.	1.2 kg / 0.034sqm
switching	external
protection class	I
mechanical rating	IP20
rated voltage	220-240V, 50/60Hz
light source	1x E27 max. 60W
optional	switch   dimmer flex arm in white   black

It is perfectly aligned by a helical arm available in white or black. The understated handle on the silver-grey lampshade allows comfortable handling. Our portfolio includes also the axis-mirrored version. As an option, the switch can be integrated into the mounting board.
